Your first step to Success

Our Diploma in Hotel Management prepares students for employment and supervisory roles in the hospitality industry through hands-on, on-the-job training. Essential knowledge and skills are embedded throughout the course, with students able to enhance their skills with our full-fledged facilities such as our operations lab, mock-up rooms, accommodation learning suite, hospitality practice lab and multi-resource computer labs.

Why are we unique?

- We offer hands-on practical classes and on-the-job training
- We focus on the management level in all aspects of hospitality needs including front office, housekeeping, food and beverage (beverage making and food preparation), and many more
- Our course is highly industry driven
